(11) It is a mistake in the Revenue Commissioner's letter to have shown the amount of Rs. 6385-7-6 as principal. This really represents the amount paid as equated payments. The total sum so far recovered according to the R.C. and the Dy. Commr, Tanjore Dt., is Rs. 7164-9-0. This represents roughly a little over 12 equated payments at Rs. 594-15-3 as fixed by the Commr. Three more payments are still due from Mr. Sundaramma to discharge the entire debt.

(12) Besides this, penal interest of Rs. 689-0-6 on account of defaults committed up to 25-6-37 has to be ~~paid~~ recovered and further penal interest (to be calculated) has to be recovered for subsequent defaults. It is these amounts of penal interest which the R.C. has recommended for remission.

village of Kilara, Kunigal Taluk, praying for the
remission of balance of loan amount due from her.

Sir,

With reference to your Memo No. R.2769/R.M. 39-38-1

D. No 1971

S

dated 9th December 1938 calling for a report on the above subject, I have the honour to forward herewith a copy of letter No. A.5-C.2838/38-39 dated 10th May 1939 together with the connected records received from the Deputy Commissioner, Tumkur District, in the matter and to state that a loan of Rs.5,500/- was granted to Mrs. Sundaramma repayable in 15 annual instalments of Rs.594-15-3 each commencing from the year 1926-27 and ending with 1940-41. A sum of Rs.7,164-9-0 (Rs.6,385-7-6 towards principal and Rs.779-0-3 towards interest) is reported to have been recovered from the loanee so far leaving Rs.2,448-12-3 (Rs.1,759-11-3 being the amount of three instalments due from her and penal interest of Rs.689-0-6 up to 26th June 1937) and some amount of penal interest on overdue instalments (to be ascertained from the Comptroller to Government) to be recovered from her.

2. Mrs. Sundaramma represents that the amount of Rs.7164-9-0 paid till now not only covers the full amount of loan advanced, but nearly half as much towards the interest; that the instalments could not be paid regularly, as the contribution amount from the ryots of the jodi village, due for the repairs of the tank for which the loan was utilised, could not be recovered from them on account of continued draught and depression.

3. The Deputy Commissioner agreeing with the Sub Division

Officer reports that this is not a fit case for remission, that the party has paid four overdue instalments up to 1936-37 only at the point of sale and that the petitioner is not one who can be classed as poor for recommending any concession. But considering the bad seasonal conditions and the difficulties the petitioner experienced in recovering the amount of contribution due from her tenants, some concession may be shown to her and as such I recommend that if the petitioner pays the three instalments still due from her as shown

Letter No.A.5-C.2838/38-39 dated 10th May 1939, from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore.

With reference to your Nos.C.2851/38-39 & and C.3536/38-39 dated 10th January 1939 and 27th January 1939, respectively forwarding the petitions of Srimati Sundaramma, Jodidar of Sarva Inam village of Kilara, Kunigal Taluk praying for remission of the remaining instalments of loan and the penal interest due on the overdue instalments which were & subsequently paid up, I have the honour to forward, herewith, the file of records received with Tumkur Sub Division Officer's memo No.A.2-C.776-38 dated 10th April 1939 and to state as follows:-

From the file of records and the copy of the Loan Ledger accounts enclosed therein, it is seen that the petitioner was granted a loan of Rs.5,500/- repayable in 15 annual instalments of Rs.594-15-3 from the year 1926-27 to 1940-41 both the years inclusive.

Three instalments are due as detailed in the margin		
1938-39.	Rs.569-13-3 ,	} Rs.1759-11-9 as also penal interest of Rs.689-0-6 till 26th June 1937 on overdue instalments subsequently paid up (<u>Vide</u>
1939-40.	" 594-15-3	
1940-41.	" 594-15-3	
Total...	Rs.1759-11-9	

Comptroller's No.452/Loans. dated 20-12-1937) and on the overdue instalment of Rs.2,379-13-0 from 26th June 1937 to 16th November 1938 the date of payment. Thus the party has in all to pay a sum of Rs.2448-12-3 plus the last ~~Rs.~~ penal interest the amount of which has to be ascertained from the Comptroller.

Permission is prayed for on the ground that (1) the amount of Rs.7164-9-0 paid till now not only covers up the full amount of loan advanced but also nearly half as much towards the interest and (2) that the instalment could not be paid regularly as the contribution amount from the ryots of the jodi village due for the repairs of the tank for which the loan amount was utilised, could not be recovered from them on account of continued draught and depression.

The Sub Division Officer in submitting the records

states that the borrower paid the four overdue instalments up to 1936-37 only at the point of sale, which was fixed up for November 1938 and that the payments have not been regular and the party is not one who can be classed as poor for recommending any concession. In these circumstances, I am of opinion that this is not a fit case for remission. The two petitions with enclosures accompany.
